*The Debtor was one of three law firms entitled to receive payment on account of attorneys' fees and costs in connection with litigation in the Superior Court of the State of California for the County of Riverside entitled *Rose Pineda, et al. v. County of Riverside, et al.* (Case No. RIC1507590) (the "Pineda Proceeding"). The Pineda Proceeding settled and, in connection therewith, for the convenience of the defendant payors, the Debtor's estate was utilized as the payee conduit for the satisfaction of the entire attorneys' fees and costs component of the settlement. To that end, the Trustee received a total of \$1,128,222.06 (\$1,113,097.06 from defendant County of Riverside, and \$15,125 from the "Bailey Defendants"). Of this aggregate amount, the Trustee transferred funds belonging to the other law firms - \$506,332.41 to The Dominguez Firm and \$90,937.05 to the El Dabe Law Offices - retaining the balance. Accordingly, the payments made were not distributions on account of creditor claims; instead, the estate was a pass-through for amounts belonging to other law firms relating to the Pineda Proceeding.

| <p>3. State what progress was made during the reporting period toward filing a plan of reorganization. Since his appointment on August 22, 2017, among other actions, the Trustee and his counsel have engaged in discussions with, and requested documentation and information from, persons and entities associated with the Debtor and third parties regarding the Debtor's assets, liabilities and previous business operations. The Debtor did not file its Schedules or Statement of Financial Affairs in the Case and no representative of the Debtor has appeared to respond to inquiries at any meeting of creditors pursuant to section 341(a) of the Bankruptcy Code. Therefore, despite his and his counsel's best efforts, the Trustee only has incomplete information regarding the estate. The Trustee intends to continue to gather and analyze information regarding the Debtor. Also, the Trustee filed and the Court approved a motion to approve procedures for the resolution of the bankruptcy estate's fee and cost claims arising from the Debtor's services to former clients and referrals of matters to other law firms. Pursuant to the authority and procedures granted by such order, the Trustee presently is engaged in settling such matters. The Trustee has recovered and is in the process of attempting to sell real property previously belonging to the Debtor that was transferred prior to the Petition Date and has issued demand letters to other parties receiving transfers within the preference period. The results of the Trustee's efforts to recover and dispose of these and other assets for the benefit of the estate will impact his determination regarding the formulation of a plan.</p> | | |
| <hr/> | | |

4. Describe potential future developments which may have a significant impact on the case:
The Court set February 5, 2018, as the general claims bar date. Around 290 claims have been filed in the Case in the aggregate face amount of over \$860 million. Although neither the Trustee nor his counsel has initiated a review and analysis of the nature, amount and validity of such claims, the Trustee believes that the amount of claims asserted against the estate is significantly overstated. The Trustee and Wellgen Standard, LLC, the parent company and assignee of the Debtor's pre-petition lender, Advocate Capital, Inc., have entered into, and the Court has approved, a stipulation to address the fees billed and costs incurred by the Trustee and his counsel in connection with the case and the disposition of Wellgen's collateral. The Trustee continues to resolve and collect fee and cost claims belonging to the bankruptcy estate and is pursuing the recovery of avoidance claims. Once the foregoing issues have been resolved, the Trustee will be in a better position to analyze the financial condition of the bankruptcy estate and determine the disposition of the case that will be in the best interests of creditors, including, without limitation, the formulation of a plan.

5. Attach copies of all orders granting relief from the automatic stay that were entered during this reporting period.
